FYI. Our Wetlands Office prepared the attached update on the Rosemont Mine project as a follow-up to our discussion with OWOW yesterday.

As I mentioned when you and I spoke yesterday, Rob Leidy is available to give you the same presentation that he gave OWOW regarding the findings of his recent site visit. Do you have any availability Monday afternoon? Monday at 1pm our time (4pm your time) appears to be the best time for us. Rob also has some time available on Tuesday and Thursday, but I'm pretty booked those days.
